Call to Order

Student Success Plan:

Supporting Student Success

Literacy Goal: We will improve student achievement in literacy.

Strategies:

- ~~Teachers will create flexible groupings in the reading workshop.~~
- ~~Teachers will use reading workshop daily with a focus on explicit small group instruction to students.~~
- ~~Teachers will provide daily mini-lessons with a clear learning goal for students.~~

Math Goal: We will improve student achievement in mathematics.

Strategies

- Teachers will use ongoing formative assessment (conversations, observations, products) to develop flexible groupings for targeted small group math instruction.
- Teachers will co-construct problem solving criteria with students, teaching them to self-assess in relation to this criteria.

Well-Being Goal: We will improve students' well-being.

Strategies

- Staff will empower students' voice and choice by facilitating opportunities for students to learn through their own cultures, interests and passions
- Staff will provide tools in the classroom to promote mindfulness (mindfulness routines, outdoor classroom)
