HAPPY NEW YEAR!!

We hope all our families were able to enjoy some relaxation over the break. It has been a pleasure getting to know many of you over the last 4 months.

We are excited to be back and look forward to continuing to connect with our amazing CPS families! The academic, social and emotional wellbeing of our students, your children, guides our staff daily.

Yours in education,
Suzanne Hawkes and Crystal MacLean

LITERACY TIME!!

Students are provided opportunities to read and write daily. Using the Workshop Model, students learn independently, in small groups and as a whole group. The Workshop Model consists of a whole group mini lesson, guided practice, independent and small group practice followed by a whole group share time. The SAC is helping us add high interest books to our classroom libraries! Students are always encouraged to read at home as well! See the Family Literacy Poster!

LOST AND FOUND

We will be donating unclaimed items later this month. We will have available for viewing during our upcoming HSA event on January 19 (storm date January 26). Classes will have the opportunity to visit as well during the month.
