Growth Mindset and dealing with disappointment in healthy ways.

As part of our focus on student wellbeing, we will continue learning opportunities that foster creative problem solving of issues, and improving self-confidence through learning to be kind to oneself and others. To also foster healthy risk taking, resilience and perseverance, we encourage growth mindset language when students are disappointed. Our brains literally grow dendrites and strengthen neural pathways when we are learning including making mistakes!

THANK YOU!

We would like to send a shout out to Marielle, Kate and Jaclyn for collecting a full bag of garbage while cleaning around our school. Thanks for helping to keep Crichton Park beautiful!

Friendly Reminders

- if you have a furry friend with you at drop off and pick up, please be aware that not all students are comfortable with dogs

- parking lot is for staff only from 8am-4pm (please park on street if dropping off/picking up during these times including Excel)

A MESSAGE FROM OUR HOME AND SCHOOL

The members of the Crichton Park Home & School Association look forward to a year of bringing our school and community together through fun events that also raise funds to improve the school experience for all. Last year we hosted the ice cream social, the Halloween Howl dance, Hot Chocolate Holiday greetings, the Sport & Recreation Fair, Oval sip and Skate, a movie night, school Bingo!, and the Spring Fair. The funds raised are used for school field trips, classroom/gym/library supplies, and last year we purchased a new Sound system.

We welcome new members at any time-meetings are once per month, on either Mondays or Tuesdays, in-person at the school with virtual option. It's a fun and rewarding way to learn more about the school, plan events, and be a part of your child's school experience. Email: CrichtonParkHSA@gmail.com to join our mailing list and find us on FaceBook under "CPS Home and School Association". Our first meeting is Monday Sept 11th at 6:30 at the school!
